

Hello MKs. I trust that you are all enjoying spring! Of course, for some of you, it may be fall – but for those of us in the northern hemisphere, we are enjoying some sunny weather! It makes me start to think about School of Missions.

I wanted to write all of you to ask for prayer. Next week will be the MK retreat for all of the LAC region. About 80 MKs are flying in to Costa Rica for a week of retreat. Would you all pray with us? Pray that everyone has a safe trip and a fun time while traveling to the retreat. Also, please pray for God to move! We love getting together, and we love all the fun activities; However, pray that every MK will have a divine appointment with God! Pray for our guest speaker, MK, Jason Exley. Along those same lines, we are going to be having a retreat in Spain with all the European MKs. Please pray the same way. Steve Pulis will be the guest speaker there.

In church last night Alan Bixler spoke on the disciple - John. He focused on the Lord's supper where it says that John was "leaning back against Jesus." (John 13:25. Isn't that a great picture? The fact that Jesus was so personal that you could lean against him! I believe that Jesus is still looking to those who are near him to lean against him. So many things come our way; so many difficulties and trials! Isn't it great to know that we can recline against our Saviour and let his strength hold us up and support us! So often we don't even realize that He is that close! And yet, those who are His disciples (all of us) have the ability to "lean on Him."

If you have prayer requests, be sure to send them in to us. We want to be praying for you and your needs! Thanks for praying for us in the days of traveling this month!
