

Happy summer MKs! The weather here seems to be making a definite turn towards the heat we have all experienced during the summer programs. Next week the office will be moving onto the CBC campus for the next month! It will be an awesome time with the MKs again. I can't tell you how much I enjoy being with each of you. The only thing that is sad is that we never get to spend enough time with all of you! One way we can spend more time together is if you go on a missions trip with me! We have one this summer to Tanzania. We still have room, and your parents can help with the \$\$\$ if they have enough in their account! If this summer is out... I want you to think of where you would like for us to take a trip next summer. We want to go to a new region! We will have already done LAC and Africa. Where do you want us to go next?

I have asked Bethanie Skipper to write to you this month. She has some things going on in her life that I think you need to hear straight from her. Here is a letter to each of you, from Bethanie:

Dear MKs,

I want to personally let each of you know of a change that is occurring in my life. As of July 25th I will no longer be the MK office coordinator. After a time of prayer and seeking God's direction, I have felt a definite release from my present role. This does not mean that I will not still be involved with MK ministry. Since I was in high school I have felt the call of God on my life to minister to my fellow MKs. It was always my dream to work in the MK office and I have been so blessed to have had the opportunity for the last five years to serve you in this capacity. I truly believe that there is a blessing and a powerful anointing on each of you to lead people to Christ and touch tons of lives. It is bitter sweet for me to write this letter, but I know that I am in a faith process to see God use me again to serve you. I love you all.

A Big Hug,

Bethanie Skipper

We are all going to miss her tremendously! She has been such a great advocate for each of you. She has worked many hours and has poured her life into this program (and into all of your lives). We are going to miss having her in the office. The cool thing is that we know she will stay connected with us and with you. She may be one of your chiefs at MR in a year or two! She has a passion for MKs, and I am excited to see where God is going to lead her next. Pray with her that God will direct her steps and open the right doors for her. She is a friend to all of us, and I know she will be missed! If you would like to send her a farewell letter, or a thanks, or anything, please feel free to do so.

Blessings,

Bwana Chad
