

I recently returned from our Latin America and the Caribbean MK retreat in Costa Rica. It was an absolutely amazing experience. Jason Exley was the guest speaker for the evening services. Each night was ordained of God and powerfully anointed by the Holy Spirit. Our prayer was that God would make that time an “altar” in the lives of the MKs. I believe that without question – He did! The altar times were very powerful, with a sweet presence of the Holy Spirit. We had MKs commit their lives to God, rededicate their lives, and baptized in the Holy Spirit. Those are the things that make the retreats very special. I believe that we can have “fun” doing any number of things, but the things that are of value are the things that God does in each life. Thanks to each of you for your prayers. Please be in prayer with us as we now prepare for the All-Europe Regional Retreat. It is a different format from the LAC retreat, but I know that God has some very specific things planned for each MK that attends. Please pray with us that God would continue to pour out His Spirit on the MKs!

Just last week we sent out a devotional to your MKs. I pray that this devotional book will bless your family. We sent out a couple different versions of the same book – one for youth and one for children. The children’s book contains questions at the end of each devotional – simply to help you as parents to go through it with the kids. Our goal is to let MKs know that other MKs have gone through the same things that they are going through. Others have had the same struggles. Others have had the same thoughts! I want them to know that God will help them and be faithful to them, just as he has for other MKs!

In our next communiqué to the kids, we will go through the MK email addresses. Some of you have had trouble with various aspects of the emails, and we will address those with the MKs (and try and walk you through the specifics on making it work for you).

MK MISSIONS TRIP. As of today, we have about 5 spaces still open for MKs to come with me to Honduras. I am excited about this opportunity, and I hope that you will encourage your teenage MK to consider this missions opportunity. If you have questions, please feel free to contact me.
