

Talked to My Daddy

Meridith Johnson, age 14, MK to Moscow, Russia

I talked to my Daddy today;
When was the last time you talked to Him?
I cried when I talked to Him;
He asked me a question,
Then another.
I said, "I don't know, I don't know",
I wondered,
What the answers were.
I told my Daddy
That He knew the answers better than I did,
And I asked Him what the answers were.
He didn't tell me,
But someday I'll know.
I talked to my Daddy today; I enjoyed it.
Talk to Him sometime;
I think you'll like it too.

I love You, Daddy!! :)
